25X1 ** Comment. This is a shipment of the air force construction unit which was transferred from Jueterbog to Oranienburg in December 1952. It appears that the construction regiment is now permanently stationed in Oranienburg from where it is detached to various construction sites. It is expected that the destination of the shipment will be reported later. 25X1 ** Comment. Construction has not yet started in Oranienburg. work will probably begin in mid-April 1252.

delayed.

however, that work will possibly be
